

LHM-SA Weekly Highlights

4th May 2009

Ludi Schulze, (see left picture) a member of the Westrand Lutheran Church met with the LHM-SA Director and shared about his involvement in weekly outreaches to the employees at a petrol station close to his home. He received a set of Bible Correspondence Course material to work through and has since requested copies to give to the group that he ministers to.

Pastor Mirriam Mankga accompanied Christel Scharlach for the weekly prison ministry to the Johannesburg Female Prison. She preached to the women in the trial-awaiting section, Section E, and she prayed with the leaders of the Christian fellowship in Section D. We are very glad that Pastor Mirriam offered to take over the weekly prison ministry to allow the LHM-SA Director to focus on core LHM-SA ministries.

Bishop Ratshwane, Bishop of the only Lutheran Church in Lesotho and the General Secretary of his church, and Rev Mohai came to familiarize themselves with the ministry of LHM-SA and to seek assistance in harnessing the power of media to spread the Gospel in the country of Lesotho. We are to find out details about radio and television broadcasting in Lesotho, and we are invited to hold an ETS workshop in Maseru (capital of Lesotho) in September, with representatives of all 10 districts.
