

LHM-SA Weekly Highlights

6th July 2009

We welcome Mr. Tshepo Kutumela on our Team at LHM-SA as the new Audience Relations Assistant; through his participation in the ministry, we hope (God willing) to establish a contact person in each Lutheran Congregation in South Africa.

We also congratulate Ms. Euginia Sedibe on submitting more than six ETS reports and thus receiving her ETS Volunteer Shirt and Pin during the church service in her congregation in Mohlakeng – this event afforded LHM-SA an opportunity of extended exposure, and, we hope that it inspired others to desire signing up as ETS Volunteers.

13th July 2009

Mr Phillemon Thema received his ETS Volunteer Shirt and Pin during a ceremony at his congregation in Mofolo North Lutheran Church. This was an occasion that brought great joy to all who witnessed it – to the glory of the Lord.

20th July 2009

LHM-SA was invited to represent our ministry at the St Thomas Lutheran Congregation's Mission Sunday (in Bryanston). We did a presentation and had a stand with resources from LHM-SA with books, booklets, German Lutheran radio programmes transferred onto CDs and LHM-SA brochures and a world map indicating all the LHM office world-wide. The emphasis was on the need to foster a partnership between LHM-SA and the congregation, as we are convinced that the activities of this ministry will only be successfully sustained if the local congregations offer their support.

27th July 2009

Mr. Mokete Mabyane, one of LHM-SA's most dedicated ETS Volunteers, attended the ETS Presenters meeting on the previous Tuesday at our office and gave invaluable insight from the perspective of the ETS Volunteers. From this meeting we were able to identify weak points in the ETS workshop and two Modules need to be amended accordingly. We also decided to have a meeting with all ETS participants two weeks after a workshop, and then an ongoing monthly meeting for volunteers: this is aimed at strengthening and sustaining the relations between LHM-SA and the congregations with whom we are in partnership, as well as advance prospective ones.
