

# LHM-SA Weekly Highlights

4<sup>th</sup> February 2008

LHM-SA ordered the inspiring book “Spirituality of the Cross” by Gene Edward Veith (jr) for the Greytown Lutheran congregation. According to Pastor Henning, LHM-SA Pastoral Advisor, it is the best book he has read in years as it balances Law and Gospel in the Christian walk perfectly.

11<sup>th</sup> February 2008

The annual FELSISA Women Retreat was held at the FELS Conference Centre from the 12<sup>th</sup> -14<sup>th</sup> February and attended by about 60 women. The seminar held by Dr Dieter Reinstorf was on the topic of “Resolving Conflict the Christian Way”. During the breaks there were Lutheran books and Bible Study booklets for sale and the proceeds went towards the work of Lutheran Hour Ministries. LHM-SA also received wonderful donations totalling over R 8,000 - one from a Director on the LHM-SA Board and two donations from friends of the ministry. Thank you! We thank God for His provision for the work in His harvest.

18<sup>th</sup> February 2008

LHM-SA has been requested to organise FOUR Church Services at the Johannesburg Female Prison per month! There are to be Lutheran Church Services twice a month (every second Sunday) in both Sections B and E. Before the staff could start worrying about this huge increase in ministry, Pastor Vilander came to visit us at the office and requested to be part of the Prison Ministry team! We learnt again that when God gives opportunities He also provides the means.

**Role Play**

On the 23<sup>rd</sup> February we had a record of four presenters at the ETS Workshop in Glencoe! The participant included Dean Ntuli, Pastors Sibanyoni, Ngwenya, Ntsimane and Thwala and they also participated in the Practical Outreach. At least four men came to church on Sunday as a result of being invited to church during the Practical Outreach. We want to thank Pastor John Nkambule and Mr Egon Gevers for presenting some of the ETS Modules.
