

LHM-SA Weekly Highlights

17th September 2007

The ETS Workshop in Gaborone on the 14th-15th September was well attended and the participants were actively involved. We received the following e-mail from Kamogelo Kerekang:

May I take this opportunity to say "Thank you for the ETS workshop and drama it has done a lot of changes to us. It has opened a lot of opportunities in my Christianity and the Congregation at large. We had to look at ourselves and see if we are in the right direction of Evangelising and Sharing the Gospel.

Participants of the ETS Workshop in Gaborone, Botswana

The workshop has taken us to the next higher level in growing our Congregation. I wish you could have been visiting us last Sunday. Believe me 'God is great'. The church was decorated with flowers and the congregation full of life, ushering was done properly, with visitors given middle seats and members surrounding them to give them love and warmth. They asked about the drama. When will you visit again? After the service there were Refreshments served with Cakes. It was so beautiful! Because of the ETS workshop. Looking forward to inviting you for another drama & ETS workshop. Thank you once again and we love you "The Lutheran Hour Ministry".

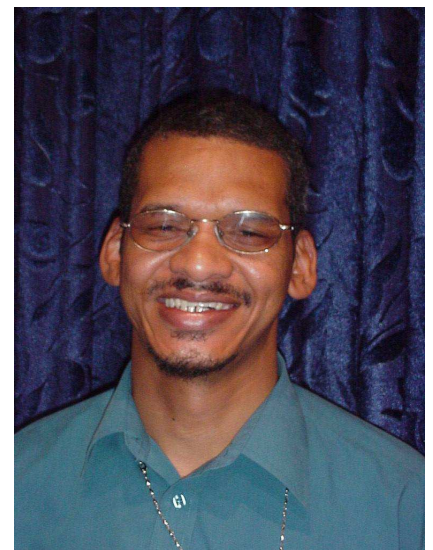

24th September 2007

At our LHM-SA Board meeting Dr Uli Bantz (picture left) was elected new Chairman of the LHM-SA Board. He has served on the Board since July 2002 and we wish him God's abundant blessings and strength for the position.

We also thank Rev Christopher Barends (picture right) for his term as Chairman and also for supporting LHM-SA as the new Vice-Chairman on the Board.

Then we welcome Mr Egon Gevers as Director on the LHM-SA Board and that God may bless him as he serves in this capacity.
