

LHM-SA Weekly Highlights

18th June 2007

Pastor MJ Nkambule attended both ETS workshops in Mofolo North and has offered to present at least one Module in the next ETS workshop that is to take place on the 11th August in Phoenix, Durban, for the leaders of the LCSA KwaZulu-Natal Diocese.

He has kindly translated the ETS Workshop handout into the Zulu language, using the facilities for our ETS Volunteers at the LHM-SA office.

Thank you, Pastor Nkambule!

Mr Phillemon Thema, member of the Mofolo North Lutheran congregation attended both ETS workshops as well. He travels by bus each day and talks to other passengers about God. One woman has since joined the congregation and her child was baptised on the 24th June. He came to the office to deliver a letter sharing his experience so far:

"Since I have attended the LHM (ETS) workshop many things have happened to me. I have learnt to speak about our God openly, daily. Before I could not speak about Him, but now I am proud and have courage to tell people about Him.

I now know how to approach the non-believers and witness to them that Jesus is the Son of God. Many people do believe, but not with their whole heart, soul and mind.

The Bible said we believers must tell other people about the word of God and that is what I'm doing every day. Wherever I go in the factory (at work) the workers want to hear more. I have met different people with different problems, but I tell them about trusting God, have faith in God. They must not believe in other things but Him alone." (slightly edited)
