28th January 2008

We received the ETS Reports from Royce for September and November 2007 and will include them in the January 2008 ETS Report as well. Royce is working closely together with Pastor Lawrence Maphosa, the Lutheran Pastor in Kwekwe, who is very excited about the LHM material he has seen so far. Royce has also submitted the "Practical Assignment" sheet of Mr Zimunya, who wants to be an ETS Volunteer in Kwekwe as well, working together with Royce.

This is great news and we thank Pastor Schmidt for paying for Royce's travel back to Kwekwe and for posting Royce's packet to us at his own expense.

Pastor Schmidt took this picture of Royce in Francistown. Royce received a few old computers, and also bought basic food stuffs with an R 800 donation – see the salt and beans in the picture. We thank the donors for these gifts! We are reaching out with the Gospel, and also with a caring hand.

Please pray for the Christians in Zimbabwe and for God to intervene! Please also consider giving a gift/donation for food, particularly for the aged and the children.
