Anne and Avril

There is renewed interest in the LHM-SA recording studio. Anne Wannenburg (left in picture) visited the office and had a look at the facilities. Avril Isaacs, who trained under Doc Fick in our studio, showed her around. May the studio be put to good use once more!

Norma is interested in joining the Prison Ministry at the Johannesburg Prison and came to the LHM-SA office to find out more. She spent a year awaiting her trial and was released after the trial. During this time she came to know Christel and also, most importantly, she came to faith in Jesus Christ as her Lord and Saviour.

Mr Royce Makonye, a Lutheran Church member from Zimbabwe, came to spend his leave in South Africa. He attended the church services at the English Lutheran Fellowship (ELF) and was invited to the LHM-SA office to watch DVDs/Videos or to read books in the small library. He soon came every day and enrolled in the “Real Life” and then the draft “Shared Life” Bible Studies, and read all the topical booklets available. He helped the staff to proof read the “Shared Life” Bible Study series and we are very thankful for his input.
