

LHM-SA Weekly Highlights

29th May 2007

Bishop of the LCMS English District, Bishop Stechholz and President Robert Ellis were invited to attend the LCSA Co-worker's meeting with Dean Ntuli and Pastors in Shongweni, see picture.

LHM-SA Director, C Scharlach, was also invited to share information regarding the Equipping to Share Workshops and it was decided that an ETS Workshop is to be held in the St Thomas Lutheran congregation in Phoenix on the 11th August.

If you have a heart for evangelism, a knack for public speaking and the ability to travel weekends, you

could be an Equipping to Share presenter for the 2007 - 2008 year! For more information please contact Christel at 011-791 1661, office hours. Equipping to Share presenters volunteer their time and their passion for evangelism, but their travel expenses are reimbursed by Lutheran Hour Ministries. Presenters are thanked with an honorarium.

7th June 2007

We are particularly pleased to announce that Lucas Baloyi, LHM-SA Drama Co-ordinator and award-winning actor has been invited to perform three One-man Dramas at the Prison Fellowship International 2007 Convocation held in Toronto, Canada – all expenses paid.

Lucas will be flying to Toronto with Air France on July 3rd to attend the PFI Convocation, and return to Johannesburg on the 9th. More than 1,000 delegates from 100 countries will not only witness Lucas' Drama skits, but also hear about the work of Lutheran Hour Ministries in general, and in prisons in particular. The three Drama skits are being translated into several languages for the delegates who can't understand English.

Equipping to Share is looking for presenters!
